

## Paige Jessop, Assoc. AIA

As a project manager, Paige is involved in every stage of the project. Her architectural experience in the overall design process, combined with her interior architecture skills, makes Paige a one-woman powerhouse for our clients. She maintains consistent communication with clients, vendors, consultants and general contractors. She ensures design phases are continuously moving toward completion. Due to the diverse needs of our clientele, Paige is typically able to pull from experience when unique situations arise.
