

Rebekah Strickler, NCIDQ, IIDA

Rebekah is an interior designer with a talent for coordination and project management. She brings her design skills and a level of communication that is critical to a successful and well-designed outcome. Rebekah coordinates all phases of the project with the client, consultants and in-house team members to provide an integrated solution to meet the client's needs. During Rebekah's 2.5 years at Collaborative Studio, she has successfully managed teams to complete interior spaces including FF&E for combined budgets of \$85,000,000.
